From 1st of June 2025, L.M.C. Couplings NV will merge with ERIKS Belgium NV

Dear relation,

From 1st of June 2025, L.M.C. Couplings NV (BE0457860289) will merge with parent company ERIKS Belgium NV (BE0402956608)

LMC has been part of the ERIKS group for 25 years, but has always operated under its own name. With this integration, we are taking the next step in a more efficient operation and a nice expansion of our supply program.

We request that you create ERIKS Belgium NV as your supplier (if it is not already known to you) and send your orders exclusively to ERIKS Belgium NV from June, 1st, 2025. We will treat all incoming orders as ERIKS from that date onwards.

New billing details:

ERIKS Belgium NV
Roderveldlaan 3/Bus 1
2600 Antwerp
Belgium
VAT no: BE0402956608

Our business address remains unchanged. Below are our company details.
